Buyer's Flat Fee Agreement

$3,500 Flat Fee Buyer Representation

Bryn Kaufman and OahuRE.com agree to fully represent you, virtually, as a buyer from start to finish.

We keep a flat fee of $3,500 and give the balance of the buyer's agent commission back to you as a credit at closing to help cover your closing costs.

By signing below, you and OahuRE.com agree that OahuRE.com will keep a flat fee of $3,500 from the buyer's agent commission and credit the entire balance back to you at closing.

OahuRE.com also agrees that if you do not close, you do not owe us anything and we do not receive any commission.

This is not a restrictive buyer's representation agreement.

It covers only the property you choose to buy with us, and you are free to buy any other home on your own.
