Public Remarks: Private, oceanfront compound located in Honolulu’s exclusive Black Point neighborhood. Once inside the gates, this restored 1920’s home and separate guest house is nestled on its own cove with views of the Kahala Coast’s gold sand beaches and swaying palms. The four bedroom three bath main home with its multiple lanais on three levels harkens back to a more relaxed and quieter, gentler era. A separate one bedroom guest house shares the charm and views and all are connected by an elevator or path through the lava rockery and garden featuring a koi pond. Easy ocean access from the yard for swimming, surfing or fishing. the perfect place for anyone looking for peace and solitude while still being able to access Oahu’s culture and dynamic energy.
