**Public Remarks:** Fantastic opportunity in Kailua! This flag lot is one of two neighboring parcels being offered well below tax assessed value and recent appraisal. Not CPR'd and sold separately - such a rare opportunity to acquire two sizable parcels where neither one forces you to sacrifice space. The 760 sf carport includes a workshop and a covered patio in back, while still providing a decent side and back yard. Featuring 3 bedrooms, 1 bath and room for a minimum of 3 cars + boat, the home is in need of a renovation but already provides a layout easily converted to accommodate a separate living space. Unlike typical flag lots, this driveway is not shared. First time on the market, this is your chance to maximize land use for investment goals or to build your family compound in sought after Kailua. Do a make-over on this home and reside there while working on the front house, which requires more TLC. The front property address is 610 Halela St listed under MLS #202505863. It's also a 3 bed/1 bath/3+ parking, is in need of major repair but with tons of potential as well; sold separately. Private showings only, mahalo! \*\*\*EMAIL OFFERS TO: Cameron Higgins at [cameron@lfg.group](mailto:cameron@lfg.group) by 3/9/25.\*\*\* **Sale Conditions:** None \* [Photos](#), [History](#)
