Public Remarks: Rare R-5 zoned North Shore beachfront lot housing 3 dwellings on 45,346 sqft with panoramic ocean and mountain views. The beach house is a custom elevated 3-bed, 3 bath Pole House Of Hawaii (1974) classic structure, featuring a covered wrap around lanai with hard wood interior floors, skylights and direct access to 100 linear feet of sandy beach. A great spot to swim, kayak, dive, surf or just be! A split driveway provides separate access to the two additional mountain side dwellings. Both units are 2bed/1bath with one offering an extra half bath. Built in 1955 and 1961, these 2 homes were designed by noted mid-centrury architect, Frank Slavsky and maintain his original concepts such as redwood tongue and groove walls and ceilings plus "living lanais"! This estate is surrounded by mature tropical landscaping and offers exceptional potential to restore, renovate or re-imagine. Close proximity to historic Haleiwa town and Waialua market place - a short ride on the bike bath to the library, convenience store, school or post office. Very unusual to have this much land and so much privacy in a beachfront setting. Seller 1031 Exchange Contingency. TMK has one less bathroom. **Sale Conditions:** Subject To Repl.
