Public Remarks: Mixed-use investment opportunity in Kalihi featuring two buildings and nine residential rooms. The ground floor commercial unit has a CUP in place with roll-up door access and direct street frontage — suitable for retail, grocery, or light industrial use. Building B is currently occupied generating \$4,000/month. Building A is actively under renovation. Priced at \$1,500,000 with a stabilized cap rate of 7.8-9.0%. The surrounding Kalihi corridor has strong long-term redevelopment fundamentals. Conditional Use Permit (CUP) — Protected Commercial Use The commercial unit carries a CUP, securing its legal commercial operating status within the R-5 residential zone. This rare entitlement protects lender and tenant confidence and is a meaningful differentiator at this price point. **Sale Conditions:** None * [Photos](#), [History](#)
