Public Remarks: Tucked away at the end of a shared driveway, this private 3-bedroom, 2-bath CPR single-family home offers peaceful living with breathtaking Waianae Mountain views from nearly every room facing the backyard. Enjoy direct gated access to the adjoining city park with baseball fields, basketball courts, and a skate park. The low-maintenance yard features new weed barrier and gravel, plus mature champagne mango, banana, and citrus trees. Fresh interior paint and over \$13,000 in July 2026 improvements make this home move-in ready. Designed with today's technology in mind, the home is wired for fiber internet, high-speed Ethernet throughout, and hardwired security cameras, making it an exceptional setup for remote work, streaming, gaming, or a smart home. Major upgrades include an owned 14kW PV system with 20kWh batteries (financing to be assumed), roof replacement, updated flooring and subfloor, dual-pane vinyl windows, Daikin split AC, smart water heater, and additional electrical improvements. With four occupants, owners currently pay only the approximate \$50/month HECO connection fee and don't lose power after 2+ days of the street being without power during recent storms. **Sale Conditions:** None * [Photos](#), [History](#)
