Public Remarks: Some homes are worth a second look, and this is one of them. A rare flag lot opportunity in Kalihi Valley, set on a private, less-traveled street with no rear neighbors. The home sits high above a gentle stream, outside any flood zone, framed by lush greenery visible from the top-floor primary suite and the kitchen while preparing meals. Newer construction offers 3,707 sf of flexible living space: currently 5 bedrooms and 3 baths, AND a ~700 sf multipurpose room, while the primary suite occupies the ENTIRE top floor and can be divided into more rooms if desired. A dedicated laundry room and a large storage room (convertible to a garage) add everyday function. Turn-key finishes throughout mean no renovation budget needed. Recent custom hardscaping and planters lend eye-catching curb appeal, and the back deck invites quiet evenings, while the yard, with some added effort, can become a fully fenced space built for entertaining. At roughly \$321/sf, well below typical costs for comparable in-town square footage, this is a rare chance to own a move-in ready home in town. Private yet centrally located and convenient to everything Honolulu has to offer, this home suits owner-occupants and investors alike. **Sale Conditions:** None * [Photos](#), [History](#)
