Public Remarks: Being on the end means windows on two sides and a cross-breeze that actually moves through. Your own open lanai gives you private outdoor space with washer — No stairs to climb, no elevator to wait for. Everything you need is right outside: Market City and Foodland are up the street, restaurants and shops line Kapiolani, and the H-1 East on-ramp is nearly across the boulevard. Bus lines run right out front, and UH Manoa, KCC, and Chaminade are all close by. This is a location where a car is optional — which is exactly the point. Fee simple. Low overhead, easy to hold, easy to rent long term. If you've been priced out of owning in town, this is the door that's still open. This place is perfect for a 1st time homeowner or as an investment at an extremely affordable price. **Sale Conditions:** None * [Photos](#), [History](#)
