Public Remarks: Waianae where your money per square foot goes a long way! Only a mile from beautiful Pokai Bay, the Army Rec Svc open base, restaurants, fast food and convenience stores, coffee shops, the Marina, and a new supermarket in revitalized Waianae. This stunning 4 bedroom, 2.5 bath home built in 2008, was fully renovated by the previous owner in 2022. In the last 3 months, current owners replaced all kitchen appliances, including dishwasher, range/oven, refrigerator and microwave with exhaust fan and spare full size freezer in garage, plus installed a new Split AC, upgraded the Septic system, and installed a 6 security camera system. Split ACs in every bedroom, LVP on first floor, ceramic tile and hardwood upstairs. Oversized 2-car garage or one car and a large workout room. Large 2 car driveway, and a long graveled side yard for parking a boat/trailer or multiple vehicles. Run that AC all day long with 22 leased solar panels and a Tesla battery install in 2021. Monthly PV lease is only \$214 and keeps your electric bill to approx \$40 per month. No HOA, No sewer bill with state of the art Septic system, very low water bill.
