Public Remarks: Value-Add Renovation Opportunity with Views in Village Park. Set on an elevated lot, this residence enjoys expansive views toward Pearl Harbor and the surrounding area, along with refreshing trade winds that move naturally through the home. The elevated position enhances light and airflow, creating a bright interior canvas for a buyer ready to fully renovate and reimagine the space to current market standards. The property is currently in "fair to needs major repair condition", featuring bare concrete floors and damaged bathroom shower tile with exposed areas, which may limit conventional financing options. The home is being sold strictly as-is, with no seller repairs or repair credits. Pricing reflects the condition and the expectation of a complete renovation. The yard offers flexibility for outdoor living, entertaining, or landscaping, while the home is situated in a quiet, established neighborhood with convenient access to shopping, schools, parks, and major commuter routes. An excellent opportunity for an owner-occupant or investor seeking location, views, and upside through renovation. The roof is newer and floor plan is functional so just renovate and make your own!
