Public Remarks: Fantastic opportunity to own 2 detached single family homes on one lot in the middle of Metro Honolulu. Located at the lower part of Nuuanu and Pauoa, this completely renovated property offers 2 dwellings - the front house is a 2-story home with a total of 5 bedrooms, 2 bathrooms with separate entry (no interior access - upstairs is 2/1 and downstairs is 3/1) and the back house is a cute 2 bedroom, 1 bathroom unit. Brand new sewer line, new roof, all new appliances, split AC's and more. 3 electric meters and one water meter. Worried about parking? Not to worry, there is more than enough parking for the multiple units on the brand new leveled concrete parking pad. This property is conveniently located near the freeway entrances, Pali Hwy, Downtown, Chinatown, hospitals and schools. This would make a wonderful investment, live in one unit, and rent the others out for additional income. A few photos have been virtually staged(enhanced). **Sale Conditions:** None * [Photos](#), [History](#)
