Public Remarks: Completely rebuilt from the ground up, this custom Waianae home delivers quality you can see and feel. Double-wall construction, solid wood doors, vaulted ceilings, and tile throughout — every detail has been intentional. The main front home features a fully permitted 3-bedroom, 2-bathroom layout, where a massive 36,000 BTU Mitsubishi split A/C unit in the living room easily keeps the entire home crisp and cool. The interior is beautifully finished with premium black granite countertops in the kitchen, and each bathroom boasts a one-of-a-kind handcrafted sink—one carved from local mango wood, and the other from monkeypod. Close to beaches, shopping centers, schools, and more. You will love every part of this Waianae retreat, don't wait too long or it might be gone. Buyer to conduct their own due diligence.
