Public Remarks: Spacious and charming Whitmore Village property keeps going as you meander from front to back. Perfect for multi-family, multi-gen living and versatile enough to configure up to 3 living areas each with their own entrance or keep as is and house a large brood, but still allow for privacy among occupants. Refreshed with new interior and exterior paint, new lower kitchen cabs and counter, new LVP flooring in the front living room, all baths converted to showers, new roof in 2022, new electric box with up to 200 amps, and most windows replaced in 2021. Large 2 bedroom, 1 bath space in front flows past the kitchen with pocket doors that slide (or remain) open to a dining/living area with 2 bedrooms and a bath in the middle. Step down into the cutest compact living area in back with skylight, a wet bar, living/dining space, bathroom, and another bedroom. An extra room provides space for storage, extra bedroom, office, home gym, etc. to complete the house. Long low-maintenance driveway for multiple cars, a sweet front yard for gardening/pets, and a rolling gate for security! 5 minutes to Wahiawa Town and the H2 or a casual slow drive the other way to the North Shore and ocean!
