**Public Remarks:** This is an awesome contractor's opportunity and a must see! This ideal property consists of a large level fee simple lot of over 6,000 square feet, with an old single-family dwelling with deferred maintenance requiring substantial repair and renovation. Despite the condition of the dwelling, the property's underlying land value is enhanced by its desirable location near the beach and its attractive, unobstructed ocean views. The site offers strong appeal to buyers seeking a renovation opportunity or potential redevelopment they can call their own, subject to applicable zoning and permitting requirements. Overall desirability of this property is influenced mainly by the property's location, beautiful ocean views, and proximity to the shoreline rather than the current condition of the existing improvements.
