Public Remarks: Tucked into a corner of The Villages at Waipio, this end-unit townhome gives you privacy and extra light that only a corner spot delivers, plus a 2 bdrm, 1 full-bath and 2 half-bath layout that makes the most of every sq foot. The living area opens straight onto a large private patio, big enough for a full outdoor dining set with plenty of room left over to stretch out. Morning coffee out here beats a balcony any day. Upstairs, the bdrms offers a peaceful retreat after a day at the beach or office. The half-bath downstairs means guests never have to trek up for a quick stop and with fewer shared walls than an interior unit, it stays noticeably quieter. Steps from your door, community pool and playground make it easy to cool off or let little ones burn energy without ever getting in the car. One assigned parking stall comes with unit. Bring your contractor and some vision, this one's priced to reflect some cosmetic updating and a quick refresh could unlock real equity fast. The Villages at Waipio puts you close to Waikale Shopping Center, the H1/H2 interchange, and Central Oahu's mix of parks and schools, without sacrificing the quiet of a residential community. Corner units like this move fast. **Sale Conditions:** None * [Photos](#), [History](#)
