Public Remarks: Perched high above the Ala Wai Canal, this rare 3-bedroom, 2.5-bath split-level residence at Ala Wai Plaza 2204 offers a dramatic two-story layout with sweeping views in both directions, sparkling ocean and Waikiki skyline view from the front lanai, and lush Manoa mountain views from the entryway. At approximately 1,427 square feet, the open, airy floor plan is cooled by the building's signature cross-breezes, keeping the home comfortable year round without much need for air conditioning. Ala Wai Plaza is one of Honolulu's most architecturally distinctive condo towers, known for its striking glass elevator, open-air bridges, and walkways connecting its two towers. Residents enjoy resort style amenities including a swimming pool, fitness center, clubhouse, BBQ area, and on-site security, all just steps from Ala Wai Park, the dog park, and the University of Hawaii, with Waikiki Beach and Ala Moana Shopping Center only minutes away. Two-level 3-bedroom homes like this one rarely come up for sale, making unit 2204 a special opportunity to own a piece of one of Honolulu's most iconic buildings. **Sale Conditions:** None * [Photos](#), [History](#)
