**Public Remarks:** Life in the heart of Kailua in this two story condo could not be sweeter. Being located on the top floor means no one walking on your ceilings and you enjoy every bit of the trade winds as they pass through the unit. Too hot those rare few days a year? Just flip on the ACs. Having an extra storage closet by the covered parking space means you can leave the beach stuff with the bikes or car so you can grab and go right back to the beach. Brand new Bamboo floors and paint throughout gives this home a light and open feel. Have your own ideas? Great, you still have some sweat equity potential here. Private showings only, no open houses. Looking forward to handing over the keys to your new home, ALOHA
