Public Remarks: The ultimate in urban living in Kakaako. Aalii is surrounded by restaurants, grocery stores, a movie theatre, and just a few blocks from the largest beach park in the state of Hawaii. Walk, roll, or stroll for anything your heart desires without needing to take the car with you. The owners of this unit chose the TOP PACKAGE elite cabinet and furniture package from the developer at time of construction and then added their own upgraded touches including countertop for the TV inset that matches the kitchen counters and a brand new washer/dryer combo that creates extra storage space. Automated blinds with remote control too. High floor on the podium building means peace and quiet. Comes with your own assigned parking space. Have some friends that want to drive over, they can enjoy guest parking at the building or all over Ward Village. Excellent staff at the front desk assures security. Bring your pet and enjoy the dog play area. With more shops opening on the first floor you'll enjoy a growing number of conveniences inside your own building. It really is a dream to live here! **Sale**
