Public Remarks: Welcome home to Commodore Waikiki, a gated charming four-story boutique low rise condominium overlooking the Ala Wai Canal originally built for US Navy Officers' housing. This third-floor unit has one of the larger floor plans for a one bedroom. In 2018, renovation was done for tile flooring throughout, with granite kitchen countertop, and a new bathroom vanity. This is a Pet Friendly Building (Buyer to Verify). It feels like a community with only 43 units with neighbors caring for each other. The location is urban: nestled close to the Convention Center, Ala Moana Shopping Center, and Waikiki. This residence offers both convenience and comfort. Windows will need to be replaced by early 2028, the owner has paid the \$4500 to place the order and the Buyer will need to make the final payment of \$4402.20 in October 2024. Perfect as your starter home, a Pied-a-terre, or for an investor. Low maintenance fees. Community Laundry on site.
