Public Remarks: This is a new CPR lot#20 reducing the original lot 21 lot size down from 12 acres to 5.2 acres. The other half is sold. Great opportunity to build your farmland in a legacy master CPR development of over 1,400 pristine North Shore acres. This approximately 5.2 acres of land is part of the up-and-coming Laukiha'a Farms Community, an agricultural community designed to foster a thriving community of agriculture and eco-friendly uses. It is situated in the heart of historic and cultural Haleiwa Town near the North Shore Marketplace. This is the most strategic stop along the Kamehameha Hwy, close to the beautiful beaches, and easy freeway access to town. Enjoy the convenience of shopping, dining, and all the water activities that North Shore has to offer. Prime location to create your own paradise! Come create your family farm or ranch. These lots do not allow for a dwelling or house. They do allow for Accessory Agricultural Structures to support your AG business.
