Public Remarks: Stunning home in a quiet country neighborhood located in the North Shore of O'ahu. One of only five original manager plantation homes, this historic beauty was updated in 2018 and an (owned) PV system was installed late 2019. Tasteful finishes such as quartz countertops, custom cabinetry, high ceilings, and solid wood flooring coupled with slate tiling throughout make this home feel modern while keeping it's vintage charm. Large living spaces with ample storage and split AC system, open concept kitchen with a custom barn door and upgraded stainless appliances complete this well kept home. Board and batten finishing, tons of garden space, lush landscaping and fruit trees help make this property extra private and cozy.
