**Public Remarks:** Seller says Sell ~! Still Available and easy to see with one or two days notice! Unique Opportunity to purchase a home in town at an awesome price. This neighborhood has had soil problems over the past several years. The home is livable but most likely best purchased by a General Contractor who can address the post and pier issues as well as the steps and retaining walls. Peaceful Palolo Valley with wonderful trade winds. This home is right next to a park that was dedicated a long time ago ~ so you have a neighbor only on one side. Up several steps to the front door. Home would appear to have good "bones" and will benefit from the TLC and thoughtful and sensible upgrades that it deserves! Single covered parking stall and street parking usually available. Drive by okay ~ do not disturb residents. Call your Agent ~! **Sale**
