Public Remarks: Classic 1966 home, nestled in the beginning of the sought-after Lanikai Neighborhood. The home is in need of a little TLC, but with some work, this property has the potential to be truly stunning. The living room is spacious and bright, with plenty of room for entertaining or relaxing with family and friends. The bathrooms are vintage in style, with some updates needed including replacing the tub and tile work in one of them. The backyard is large and level, with three coconut trees and stunning pink and yellow plumeria trees & the bright red hibiscus flowers adding more tropical flair to this already beautiful space. Although some updates are needed both inside and out, this property presents an incredible opportunity to create your dream home in one of Hawaii's most coveted neighborhoods. With its prime location just steps from the beach, you'll have easy access to some of the best sunrises & ocean activity on the island. If you're looking for a diamond in the rough that you can transform into your own personal oasis, 114 Kaelepulu Drive is the perfect property. Don't miss out on this rare opportunity to own a piece of paradise in one of Hawaii's most desirable locations. **Sale Conditions:** None **Schools:** , , * [Request Showing](#), [Photos](#), [History](#), [Maps](#), [Deed](#), [Watch List](#), [Tax Info](#)
