Public Remarks: Unique marina front opportunity that beckons the adventurous spirit of boating enthusiasts and visionaries alike! Excellent West Marina location with extra wide, prime marina frontage at the end of a culdesac with underground utilities. This is a developer's dream property with over 146' of marina frontage, making it one of the most prime marina front development opportunities available. Current home is in fair condition and tenant occupied with good long term tenants on a month to month tenancy. The existing structure, though in need of a visionary's touch, presents the rare opportunity to craft a masterpiece overlooking the sparkling Hawaii Kai marina waters. New design plans for a 4,855 sqft main dwelling and 942 sqft ADU by renowned architect, Whitespace, were initiated by the current owner and are available for review. Imagine evening sunset cruises from your back yard or quick jaunts out to the prolific deep sea fishing grounds off of Portlock.
