**Public Remarks:** Tucked away in Kaala and nestled near the picturesque Kaneohe Bay, lies a brand-new custom built home meticulously designed and engineered to endure some of nature's harshest conditions. With ocean & phenomenal, majestic Koolau mountain views, this is country living at its best. Engineered for safety, this beautiful home was designed and built to withstand hurricane winds of up to 136 mph. The foundation is 6 feet thick, which incorporates three layers of surge rock, two layers of GEO Mats, water barriers, reinforced rebar, and 18 inches of concrete. The house has eleven flood release openings, which diverts water during heavy rains, and concrete pavers to further reduce flooding while filtering out pollutants. The septic system design is not only an engineering marvel, but it was designed to eliminate groundwater contamination, and ensure easy access for regular maintenance and inspection. This property is not just a house, it's a fortress, with an eco-friending design. Don't miss this incredible opportunity to make this exceptional property your own. This hidden jewel is less than 200 feet from a shared deeded private ocean front, affording the new owner unrestricted access. **Sale Conditions:** None **Schools:** , , \* [Request Showing](#), [Photos](#), [History](#), [Maps](#), [Deed](#), [Watch List](#), [Tax Info](#)
