Public Remarks: Located at what was once "the end of town," now a preferred location but 37 seconds (by car, no speeding, promise) from the entrance to 1) Kalaniana'ole Hwy and 2) the H-1 to Downtown and points West. So close, yet no highway or road sounds associated with those major thoroughfares. Situated on a flat/gently sloping lot, with conservation land and no neighbors to the rear - Buyer options are virtually unlimited: live in a modest, but well maintained "move-in ready" home while deciding to renovate/expand into the large area to the rear (see what the neighbor to the right did) OR deciding to build a large new home (see the beautiful home owned by the neighbors to the left). Also, see the new home built at the corner of Malia and Aliikoa Streets (two houses across the street). This coveted neighborhood is transforming and improving itself. Walking distance to Kahala Mall and recognized Wilson Elementary and Kalani High Schools. 'Been looking for/waiting for an East Honolulu property with convenience, versatility and potential? Visit, imagine what you might do with this prime location property and make it your own. **Sale Conditions:** None **Schools:** [Wilson](#), [Kaimuki](#), [Kalani](#) * [Request Showing](#), [Photos](#), [History](#), [Maps](#), [Deed](#), [Watch List](#), [Tax Info](#)
